Profile

Ambitious Computer Science and Artificial Intelligence student with a strong interest in software development and emerging technologies. Skilled in programming fundamentals, problem-solving, algorithms, data structures, and object-oriented programming concepts. Passionate about learning new technologies and developing innovative solutions through continuous self-improvement and practical application.

A fast learner with excellent analytical and teamwork skills, committed to building a successful career in the technology field and contributing effectively to software development projects.

Technical Skill

Programming Languages

- C++
- C
- JavaScript (Basics)
- Networks (Basics)

Programming Fundamentals

- Problem Solving
- Algorithms
- Logic Design

Web Development

- HTML5
- CSS3

Tools & Technologies

- GitHub
- VS Code
- Code Blocks

Soft Skills

- Ability to write clean and maintainable code
- Excellent debugging and troubleshooting skills
- Time management
- Effective written and verbal communication skills

Education

Bachelor's Degree of Computer and Information Technology:

— Sohag University

- First-Year Student
- Appreciation: Very Good [GPA: 3.33]
- Expected [2025 – 2029]

Languages

Arabic: Native | English: B2
